

America- get ready for The T-mack Story. A true documentary of a young boy who struggles to become a successful business man who overcomes a destined life of crime that one is challenged with when living in the ghettos and mean streets of Los Angeles, who then sets his sights on the glitz, glamour and neon lights on Sin City- finds his way of survival through the lure of fast money from the profits of drug dealing, which brought a life of enemies, turf-wars, gun battles and lost loves. He was then forced to lookinside of himself for the hopes of a better tomorrow and wakes up from the nightmare of his past to realize his dream of owning one of the most successful luxury auto shops in Las Vegas.
